### PROFESSIONAL SUMMARY

Imaginative and detail-driven illustrator with a passion for bringing characters to life through expressive design and visual storytelling. Skilled at translating personality, emotion, and narrative into compelling character concepts, from the whimsical to the eerie. Experienced in collaborative projects and adept in Photoshop, she thrives in environments where research, curiosity, and collaboration fuel creative growth. Interested in contributing to feature film art production while learning within a studio pipeline through mentorship, critique, and cross-disciplinary collaboration.

### PROFESSIONAL EXPERIENCE

#### Children's Book Illustrator

*The Skool Kids Series (2022- Current)  
Amber Goes Missing (Published May 2023)*

- Collaborated with author Dr. Ronda Hampton to develop a cohesive visual style.
- Translated a sensitive, real world inspired story into clear visual storytelling for a young audience.
- Designed 6 characters inspired by real individuals, translating personality while ensuring respectful and authentic representation.
- Conducted visual research and reference gathering to inform character appearance, environments, and props.
- Revised artwork through multiple rounds of feedback to deliver 32 publication ready illustrations.

#### Freelance Illustrator and Graphic Designer

*Self-employed (2022- current)*

- Produce custom digital and traditional artwork, including pet and family portraits, ensuring recognizability.
- Design promotional graphics using Adobe Illustrator, balancing client needs with aesthetic impact.
- Manage multiple projects simultaneously while meeting deadlines and adapting work based on client feedback.

### ADDITIONAL EXPERIENCE

#### Competitive Cheer Coach (Head Coach)

*Chino Hills High School (April 2025- Current)*

- Supervise up to 60 athletes across spirit program, fostering collaboration.
- Plan and execute 5+ seasonal competitions, managing logistics and scheduling.
- Design social media content using Adobe Illustrator and Adobe Photoshop to promote the program's culture.
- Coach athletes to develop performance, communication, and leadership skills, while managing diverse personalities.

#### NCA Staff/ Varsity Staff

*National Cheerleaders Association (April 2023- Current)*

- Lead training sessions for 350+ high school athletes, providing clear instruction and real time feedback.
- Manage competition registrations and participant data to ensure smooth execution of high-volume programs and participants.
- Resolve issues and support customer relations through clear communication and problem-solving.
